Work History

Oct 2024 - Current (2 years) Salisbury, MD

Groundskeeper, Salisbury University Horticulture

I am responsible for taking care of the campus grounds at Salisbury University where I have to work hands on while having to make different decisions each day.

- Maintained lawns, flowerbeds, and landscaped areas to preserve campus appearance.
- Operated mowers, trimmers, and hand tools for routine grounds upkeep.
- Removed debris, litter, and fallen branches from walkways and green spaces.

May 2023 - Current (3 years and 5 months) Mount Airy, MD

Floor Associate, Ace Hardware

I am responsible for helping customers in store and on the phone, assembling and delivering grills, forklift operation, as well as stocking and loading while having to problem solve for each customer's different needs.

- Assisted customers with product selection, location guidance, and store policies
- Restocked shelves, faced merchandise, and maintained organized sales floor presentation
- Operated point-of-sale system for efficient checkout and transaction handling

- Assisted with planting, mulching, watering, and seasonal horticulture tasks.

- Built product displays to promote seasonal and high-demand merchandise
- Supported unloading shipments and verifying incoming stock against orders
- Operated a forklift
- Assembled and delivered grills to customers

May 2022 - Oct 2023 (1 year and 5 months) Mount Airy, MD

Food Runner, The Upper Deck Sports Bar & Grill

I was a part of a fast-paced restaurant environment where I had to serve customers their food as well as clean the tables and run expo duties behind the scenes.

- Coordinated timely food delivery from kitchen to tables, supporting smooth service flow
- Verified order accuracy and presentation before running dishes to guests
- Communicated with servers and kitchen staff to resolve ticket issues quickly
- Prioritized urgent orders during peak rushes to maintain guest satisfaction
- Monitored expo area for completed plates, condiments, and necessary utensils
